

Linux Academy and A Cloud Guru

Understanding how accounts compare

As a Linux Academy paying member, you will be moving to A Cloud Guru's highest individual plan tier, **Personal Plus**. The change does not impact your current pricing.

What information is already available for me from my LA account?

Everything you need to pick up where you left off will be available upon login to the ACG platform. Here's what you'll have at login:

- User Profile
- Course Progress
- Courses Completed
- Lessons Completed
- Billing Data
- Certification Records
- Records of Completion / Certificates of Completion
